CIBC Smart Plus Account Fee Rebate Terms and Conditions

Below explains how you can earn an ongoing monthly fee rebate.

Eligibility

To benefit from the CIBC Smart Plus Account fee rebate, the following conditions must be met each month:

- Your CIBC Smart Plus Account must be open at the time the fee rebate is applied; and
- Maintain a minimum balance of:
 - \$6,000 at the end of each day during the month in your CIBC Smart Plus Account to earn a rebate for the monthly fee on that account; or
 - \$100,000[‡] of Savings and Investments (see definition and calculation below) at the end of each day during the month to earn a rebate for the monthly fee on one CIBC Smart Plus Account. If you have more than one CIBC Smart Plus Account, CIBC will determine which account will receive the Savings and Investments fee rebate.

If you are a client with personal assets at CIBC Wood Gundy, CIBC Private Investment Counsel or CIBC Private Banking you automatically qualify to receive the monthly fee rebate on one Smart Plus Account. If you have more than one Smart Plus Account, CIBC will determine which one will receive the monthly fee rebate. Any additional Smart Plus Account(s) you have is eligible for a monthly fee rebate by maintaining the \$6,000 minimum balance in the account(s).

The above rebate will replace any other fee discount or promotion on that account.

Savings and Investments

Savings and Investments are the following registered and non-registered products held in your name or jointly with other people:

- CIBC chequing accounts
- CIBC savings accounts
- Guaranteed Investment Certificates (GIC) issued by CIBC, CIBC Trust Corporation and CIBC Mortgages Inc.
- CIBC Investment Account
- CIBC Mutual Funds
- personal deposit and investment products held in CIBC Smart Investment Solutions, CIBC Managed Portfolio Services® (CIBC Securities Inc.), CIBC Personal Portfolio Services®, CIBC Passive Portfolios, CIBC Investor's Edge and CIBC Imperial Investor Services

The following are examples of products that are not Savings and Investments:

- non-personal or business CIBC products
- CIBC Smart Prepaid Visa and CIBC Smart Prepaid Travel Visa cards
- CIBC lending products
- Simplii Financial products
- CIBC Bank USA products
- deposit or investment products held at CIBC Mellon or with other investment dealers

Calculation of Savings and Investments Balances

a) Timing:

The calculation of daily Savings and Investments balances for each month will start on the day that is the first common business day of the month in all provinces and territories. Deposits and other credits may not be posted to your Savings and Investments on non-business days where these are held and will not be included in the daily balance calculation until posted.

Any daily Savings and Investments balances already calculated in the month in which a subsequent CIBC Smart Plus Account is opened or converted will be used to determine if the minimum balance of Savings and Investments is met for the month.

[‡] For the purpose of calculating the balance of Savings and Investments, balances in foreign currency will be considered to be stated in Canadian dollars and no foreign exchange conversion will apply.

b) Joint Accounts:

The daily balance of Savings and Investments is calculated separately for each accountholder and includes both the balance of Savings and Investments held solely by the accountholder and held jointly with any other person. At least one of you must meet the balance condition above **on a separate basis** to benefit from the CIBC Smart Plus Account fee rebate. For example, if you have a minimum balance of \$40,000 of Savings and Investments at the end of each business day during the month (including the balance held jointly with any other person) and the other accountholder has a minimum balance of \$80,000 of Savings and Investments at the end of each business day during the month (including the balance held jointly with any other person), neither of you has met the balance condition and the monthly fee will not be rebated.

Important Privacy Information about Joint CIBC Smart Plus Accounts

If you have a joint CIBC Smart Plus Account and the account is receiving a fee rebate because you meet the balance condition for Savings and Investments you hold individually or with another person, the other joint accountholder may infer that you hold at least \$100,000 in Savings and Investments and/or that you have other products with CIBC.

If you do not want the Savings and Investments held by you and your joint accountholder(s) to be used to qualify for a monthly fee rebate, please speak to your advisor at a CIBC banking centre to have the \$100,000 Savings and Investments balance condition removed from your CIBC Smart Plus Account.

General Terms and Conditions

The monthly account fee is subject to change at any time. The rebate will be applied to your monthly fee only and does not apply to additional services or any other account fees.

CIBC may at any time, without prior notice to you:

- change or cancel the CIBC Smart Plus Account
- change or cancel the Savings and Investments
- change the amount of the rebate
- cancel the rebate
- change these Terms and Conditions

Except as modified, the terms and conditions relating to the CIBC Smart Plus Accounts and Savings and Investments you hold remain in full force and effect.

Smart Plus – Credit Card Annual Fee Rebate Terms and Conditions

1. We will provide an annual fee rebate on one eligible credit card account for each CIBC Smart Plus account every year if, at the time your annual fee is charged, you hold a Smart Plus account and a CIBC credit card account and both accounts are open and in good standing.
2. Eligible credit cards are any CIBC personal credit cards with a primary cardholder annual fee of \$99 or more. The rebate is equal to 100% of the annual fee for the primary cardholder and up to 3 authorized users, to a maximum of the highest current annual fees that CIBC charges for Visa Infinite* credit cards.
3. If there is more than one eligible credit card account held by the Smart Plus accountholders, we will apply the rebate to the credit card account that would receive the highest rebate, then to the earliest credit card account opened. Once the rebate has been assigned to a credit card account, it will remain associated with that account as long as the account is for an eligible credit card. If you want the rebate to apply to a specific credit card account, please contact us.
4. If you qualify for the rebate, you will see a charge for your annual fee, along with the rebate, on your next statement after you qualify. If you already paid your annual fee for the year when you receive the rebate, we will also refund a proportionate amount of the annual fee that you already paid.
5. If your Smart Plus account is closed, you will be charged the regular applicable annual fees for your credit card on your next monthly statement. We will also provide you with a refund of the unused portion of the net annual fee that you already paid (if applicable).
6. This offer is not transferable and cannot be combined with any other offer. It may be withdrawn or changed without notice at any time. CIBC may, in its sole discretion, revoke this offer if you are believed to be manipulating or abusing it, or engaging in any suspicious or fraudulent activity.

Note on closing the account: For clients who choose to close their CIBC Smart Plus Account, regular annual fees will apply on their select CIBC Credit Card and the additional card. The current regular annual fee for these Credit Cards can be found online at cibc.com, by calling CIBC Telephone Banking at **1 800 465-CIBC (2422)** or you can inquire at any CIBC banking centre. These fees will be charged automatically to your Credit Card account on the first or second statement after you close your CIBC Smart Plus Account.

Also, the regular annual administration fee for CIBC Mutual Fund RRSPs which is available in the Fund's Simplified Prospectus[■] will apply for clients who choose to close their CIBC Smart Plus Account. Once your CIBC Smart Plus Account is closed the annual administration fee will be reinstated on your registered CIBC Mutual Fund account.

CIBC Overdraft Protection Service (COPS)

Protect yourself from an unexpected temporary shortfall of funds with CIBC Overdraft Protection Service. This service is available, subject to credit approval, on most Canadian dollar personal accounts and is one way to ensure you're covered in case of an overdraft.

There are two overdraft fee options available for COPS. These overdraft fee options do not apply to CIBC Smart Plus Accounts.

Pay Per Use Fee:

A \$5.00 fee will be applied to your account for any business day (based on end-of-day balances) in which an overdraft is created or increased. You also pay interest on the outstanding overdraft amount. There is no charge unless the overdraft is used. This fee option is not available to Quebec residents.

Monthly Fixed Fee:

A fixed monthly fee of \$5.00 is applied to your account at the end of every month regardless of whether the overdraft is created or increased or how many times the overdraft is used in the month. If the overdraft is used, you also pay interest on the outstanding overdraft amount.

Interest:

CIBC's overdraft interest rate is currently 21% per year and may vary from time to time. Interest will be calculated and debited monthly to your account, based on the final daily indebtedness in the account throughout the calendar month. Interest at the rate set by CIBC will apply both before and after the indebtedness becomes payable, before and after the CIBC Overdraft Protection Service Addendum is terminated, and before and after judgment is obtained against you.

Over Limit Fee:

If you have COPS and you are at (or over) your Overdraft Limit, and CIBC chooses to process a debit which overdraws your account, or which exceeds (or further exceeds) your Overdraft Limit, you will pay CIBC a \$5.00 charge (based on end-of-day balances), plus interest, at CIBC's then current overdraft interest rate, on the indebtedness, in addition to the overdraft fee option that applies to your account. If CIBC chooses to allow one or more such debits, it has no obligation to do so again at any time in the future. The Over Limit Fee does not apply to Quebec residents.

Casual Overdraft:

If you are not covered by CIBC Overdraft Protection Service, and CIBC chooses to process a debit which overdraws your account (based on end-of-day balances), you will pay CIBC a \$5.00 charge, plus interest, at CIBC's then current overdraft interest rate, on the indebtedness. If CIBC chooses to allow one or more such debits, it has no obligation to do so again at any time in the future.

For account types with a different fee structure, all transactions during that month (including those made before the change) will be subject to the fees under the fee structure that applies to your new account type at the end of the month. However, any fees which have already been paid or deducted from your account during the month (e.g., for money orders) will not be refunded upon conversion.

For account types with different interest rate terms, interest will be calculated up to and including the day prior to account conversion and paid based on the old account terms, and will be calculated from and including the day conversion takes effect and paid based on the new account terms.

CIBC will also cash certain provincial or municipal government cheques if they are drawn on CIBC or guaranteed by the government. We recommend you open a CIBC Personal Bank Account and set up Direct Deposit so the government (or companies) can deposit your funds directly into your bank account. Authorizing a Direct Deposit will ensure timely receipt in the event of postal delays.

* The individual in good standing in the community may be required to present identification in accordance with the first paragraph of the Opening a Personal Bank Account section (page 32).

Our Hold Policy on Cheque Deposits to any Personal Deposit Account

For purposes of this policy:

- “Cheque” also includes certified cheques, bank drafts, money orders and other instruments
- Saturday, Sunday and holidays are not business days

Understanding hold periods

When you deposit a cheque in your Personal Bank Account, a hold period may apply to allow time for the cheque to clear. The funds will appear in your account at the time of deposit, but you may not be able to access them until the hold period expires. The day of deposit and hold period expiry are based on the location of the banking centre of your account (not local time where the deposit was made).

Even after the hold period expires, there is no guarantee that a cheque will not be returned to us unpaid. If a cheque is returned unpaid for any reason at any time, either during or after the expiry of the hold period, we have the right to charge the amount of the cheque to your account.

How long are funds held?

The length of the hold period for cheques depends on the currency, amount of the cheque and other factors:

- For a CDN\$ cheque drawn on a financial institution’s banking centre located in Canada, the normal length of time we will hold funds is four business days after the day of deposit. The maximum hold periods are as follows:

CDN\$ Cheque Amount	Way You Deposit	Maximum Hold Period
\$1,500 or less	In banking centre	4 business days after day of deposit
	By CIBC bank machine in Canada or any other way	5 business days after day of deposit
Greater than \$1,500	In banking centre	7 business days after day of deposit
	By CIBC bank machine in Canada or any other way	8 business days after day of deposit

- For a non-CDN\$ cheque drawn on a financial institution’s banking centre located in Canada, the normal length of time we will hold funds is 10 business days. The maximum hold period is 20 business days
- For a non-CDN\$ cheque drawn on a financial institution’s banking centre located outside of Canada, the normal length of time we will hold funds is 15 business days. The maximum hold period is estimated to be 30 business days

Reasons we may hold the funds beyond the maximum period

We may extend the maximum hold periods in some circumstances, including (but not limited to) where:

- CIBC has reasonable grounds to believe that the deposit is being made for illegal or fraudulent purposes in relation to an account
- An account has been open for less than 90 days
- The cheque:
 - Is not encoded with magnetic ink character recognition or is not readable by operational systems (for example, if damaged or mutilated)
 - Has been endorsed more than once
 - Is deposited six months or more after the date of the cheque

The hold period under these circumstances is estimated to be 30 business days and could be longer for non-CDN\$ cheques drawn on a financial institution’s banking centre located outside of Canada.

Access to Deposited Funds Limits

Access to Deposited Funds Limits may apply to cheque deposits you make in a banking centre, at a CIBC bank machine in Canada or any other way. These limits are the dollar amount you will have access to until the hold period expires on your deposit. To ask about your Access to Deposited Funds Limits, call CIBC Telephone Banking 24/7 at **1 800 465-CIBC (2422)** or visit your nearest banking centre.

CIBC’s Hold Policy and Access to Deposited Funds Limits are subject to the Personal Account Agreement, which governs your account.

Balance Alerts

If you provide the necessary contact information to CIBC (email address, Canadian mobile number or registration for CIBC Online Banking or CIBC Mobile Banking) and haven't opted out, for each personal deposit account you open, CIBC will send you an electronic alert when the Available Balance on the account falls below \$100 or an amount set by you. You may opt out of these alerts by following the instructions in the alert message or through CIBC Online Banking or CIBC Mobile Banking. You may change alert preferences through CIBC Online Banking or CIBC Mobile Banking or by contacting CIBC Telephone Banking. Due to their nature, alerts may be intercepted, reviewed or altered by others with access to your account or device(s). CIBC will not be liable for any losses arising out of your use of or inability to use the alerts, or if alerts are delayed or not delivered due to factors beyond CIBC's reasonable control except as may be required by applicable law.

Your Available Balance means the amount of funds in your account less Funds on Hold. This is the amount of money in your account that is available for immediate use, but does not include any overdraft limit (if applicable).

Funds on Hold means cheques deposited to your account which are subject to a waiting period or 'hold' before you are able to withdraw the funds. For more information about holds and CIBC's Hold Policy, see pages 36 and 37.

Notice of Fee Changes

If we propose to change a fee or introduce a new fee applicable to your account, we will give you notice in accordance with the "Communicating with You" and "Changing this Agreement" sections of the Personal Account Agreement.

It can take the CCAO 3 to 5 weeks to complete an investigation depending on the nature and complexity of your complaint. Any statutory limitation periods that apply to your case will continue to run while the CCAO reviews your complaint, which may impact your ability to begin a civil action.

Independent consumer support agencies

In addition to CIBC's Service Commitment to you, there are a number of external agencies that monitor Canada's financial industry to ensure compliance and reliable access to financial services. You can raise your complaint to these agencies.

Ombudsman for Banking Services and Investments (OBSI)

OBSI is independent from CIBC. You have the right to ask OBSI to review your complaint about banking products and services or investments. After the CCAO investigation, you have up to six months after the date of CIBC's response to you to contact OBSI. OBSI reserves the right to decline requests for investigations after six months have passed since CIBC responded to your complaint.

Where appropriate, OBSI may ask the CCAO to help them find the earliest possible resolution of your complaint.

The Financial Consumer Agency of Canada (FCAC)

The FCAC supervises federally regulated financial institutions, including CIBC. The FCAC ensures compliance with federal financial consumer protection measures. For example, financial institutions must give consumers information about their fees, interest rates and complaint handling procedures. The FCAC also helps educate consumers and monitors voluntary codes of conduct and public commitments designed to protect consumers' interests. Voluntary Codes of Conduct and Public Commitments

As part of our Service Commitment to you, CIBC has adopted a number of voluntary codes of conduct and public commitments. You can expect that we will observe these codes and commitments when you do business with CIBC.

For more information on these voluntary codes and commitments, please visit cibc.com or any CIBC banking centre to obtain a copy of *Our Service Commitment to You* brochure.

General Terms and Conditions

Your Personal Account Agreement contains important terms and conditions governing your account. Please be sure to read it.

CIBC may change the terms or features of any account, or replace any account with another type of account from time to time with or without notice or consent unless notice or consent is required by law.

Personal accounts are for personal use only. Businesses (including sole proprietorships) must obtain a CIBC business account.

In most cases, transactions done at a banking centre or a bank machine inside, or outside of Canada, and *Interac* Debit purchases or Visa Debit purchases after 6:00p.m. local time, will have a transaction date of the next business day. Transactions done through CIBC Telephone Banking, CIBC Online Banking and CIBC Mobile Banking, after 6:00p.m.

(Eastern Time) will have a transaction date of the next business day.

Please note that Saturday, Sunday and holidays are not considered business days. Any fees or interest, if applicable, will be calculated from the transaction date, unless specified otherwise for certain accounts.

Fees are calculated for the calendar month up to and including the final business day of the month. Such fees are dated the final calendar day of the month but are not posted until the first business day in the following month.

Interest is credited to your account as of the last business day in the interest period. However, the interest cannot be withdrawn, and will not be printed at banking centre terminals or at CIBC bank machines in Canada, nor made available through CIBC Telephone Banking, CIBC Online Banking or CIBC Mobile Banking until two business days after the end of the interest period. Interest rates quoted are annual and are subject to change without prior notice and are displayed on interest rate sheets in banking centres.

If your account pays interest based on the minimum monthly or minimum semi-annual balance, a deposit made on the first business day of the period is credited as if it were actually made on the first calendar day (if earlier).

Seven days' prior notice may be required for withdrawals by cheque or otherwise.

U.S. currency coins deposited into any CIBC account (Canadian or U.S. dollar) will be treated as if they were Canadian currency coins.

Digital or electronic representations of cheques and other instruments, or the relevant information from the cheque or instrument, may be made or captured and used by financial institutions involved in the exchange and clearing of payments in Canada and elsewhere, in which case the original paper item may be destroyed and not returned to you. CIBC is entitled to act upon such a representation or information for all purposes as if it were the original paper item. CIBC and other financial institutions may reject any cheque or other instrument that does not comply in all respects with all applicable by-laws, regulations, rules and standards of CIBC and the Canadian Payments Association.

CIBC may act upon any instructions or other information relating to your account or dealings that are provided by mail, non-secure methods of electronic communication¹³, or other delivery method CIBC approves for use by you from time to time. If we choose to, CIBC will be authorized to rely and act upon any such instructions or other information that we receive from you or in your name. CIBC reserves

the right, but not the obligation, to first obtain verbal or written confirmation before executing any such instructions. CIBC does not have to act upon any such instructions or other information if we are unsure whether they are accurate or are really from you, or if we do not understand them. If you send instructions or notice to us through ordinary mail, it must be sent to the branch of account unless we agree otherwise. Instructions or other information received by mail, non-secure methods of electronic communication¹³, or other delivery method will be considered to be received by CIBC only during the usual business hours of, and when it is brought to the attention of the officer at, the branch of account to whom it is addressed. Instructions or information not addressed to any particular person will be considered to be addressed to the manager of the branch of account. If you need to send instructions or other information to more than one CIBC office, you will send separate communications to each of them. For example, if you hold accounts at multiple CIBC branches, you must send separate notices to each CIBC branch or office.

You understand that non-secure methods of electronic communication¹³ are not secure means of communication and that CIBC does not use encryption or digital signatures for incoming or outgoing e-mail. You also understand that CIBC does not recommend that customers use non-secure methods of electronic communication¹³ for any confidential purposes or share their Internet access with others. If you nonetheless choose to do so, you assume full responsibility for the risks of doing so. These risks include, without limitation, the possibility that:

- someone other than the intended recipient could receive, intercept, read, retransmit or alter your messages;
- messages could be lost, delivered late, or not received;
- someone could send unauthorized messages under your name or your identity;
- computer viruses could be spread by e-mail causing damage to computers, software or data. We therefore recommends that all customers use up-to-date virus-checking software.

Notes

- ¹ Each *Interac* e-Transfer you send counts as a transaction for calculating your monthly fee. The *Interac* e-Transfer fee is waived on CIBC Smart Accounts, CIBC Smart Plus Accounts and for clients who are enrolled in CIBC Smart Start, CIBC Advantage for Youth, CIBC Smart for Students, CIBC 60 Plus Advantage and CIBC Advantage for Students (on the CIBC Everyday Chequing Account). Clients 65 years of age and older do not pay the *Interac* e-Transfer fee on any CIBC chequing account. *Interac* e-Transfer service has maximum dollar limits that you can send. Refer to cibc.com for details.
- ² "Paperless" record-keeping is a paper-free alternative to printed statements. This option enables clients to track account activity online or by phone or a CIBC bank machine in Canada. Please note, no printed statements will be sent to clients selecting this option. Clients must review their account transactions through CIBC Online Banking, CIBC Mobile Banking, CIBC Telephone Banking or CIBC bank machines in Canada at least once every 30 days and examine all entries and balances at that time. If there are any errors, omissions or irregularities, clients must notify CIBC in writing within 60 days after the date on which the entry was, or should have been, posted to the account.
- ³ Only the front of cheques will be imaged.
- ⁴ CIBC's standard credit criteria apply.
- ⁵ The amount of your withdrawal, purchase, return or credit, including any surcharge imposed by a third party for using the bank machine, network or other service, is converted to Canadian dollars at the same foreign exchange conversion rate CIBC is required to pay. You are charged an administration fee of 2.5% on the converted amount in addition to any transaction fees applicable to a withdrawal and any fee noted. Conversion to Canadian dollars may occur on a date other than the date of your withdrawal, purchase, return or credit. Therefore, the conversion rate may be different from the rate in effect at the time of your withdrawal, purchase, return or credit.
- ⁶ The additional fees for withdrawals from non-CIBC bank machines are not waived. Fees apply for all other services listed in this brochure as indicated. ATM withdrawal amounts may be limited to a maximum dollar withdrawal amount.
- ⁷ Excludes stop payments on pre-authorized debits/recurring payments set up using CIBC Advantage Debit Card details. To stop payment on these, you need to contact the merchant/biller/payee directly to instruct them to discontinue applying charges to your account(s) through your CIBC Advantage Debit Card. If you are unsuccessful in resolving the issue, CIBC may be able to work with Visa to request a refund for you.
- ⁸ "CIBC-branded" means any brand that has CIBC in its name and is offered by CIBC or its Canadian affiliates (and does not include CIBC Bank USA).
- ⁹ CIBC levies no fee to receive an *Interac* e-Transfer into a CIBC Canadian dollar personal account; however, if the account is not at CIBC, the recipient may be levied a fee by his/her own financial institution or by the provider of the *Interac* e-Transfer service.
- ¹⁰ Correspondent bank may levy additional charges.
- ¹¹ The CIBC Chequing Savings Account includes 2 free transactions per month (unused transactions cannot be carried forward to subsequent months). Monthly statement with cheques imaged record-keeping option (front only) is not available.
- ¹² Clients who were 60 years of age or older on or before June 24, 1991, and held a CIBC Key Account™ prior to this date, as well as when the account was converted into the CIBC Unlimited Chequing Account and subsequently converted into the CIBC Smart Account, may have the monthly fee rebated on their CIBC Smart Account.
- ¹³ "non-secure methods of electronic communication" include but are not limited to fax, e-mail, telephone and cellular phones.
