

Notice of 2025 Annual and Special Meeting of shareholders and notice of availability of our meeting materials

You are receiving this notice as a CIBC shareholder

This year, our meeting will take place by live webcast at <https://cibcvirtual.com/agm2025> and in person at CIBC Square, 81 Bay Street, Toronto, Ontario. Either way, you can participate, vote, and ask questions during the meeting. For the most current information about the meeting please visit our Annual Meeting webpage on our Investor Relations website at <https://www.cibc.com/en/about-cibc/investor-relations/annual-meeting.html>.

Notice-and-access

As part of our ongoing commitment to reduce the impact associated with paper, we are reducing the number of paper documents that we send to our shareholders.

Our Management Proxy Circular – We are using notice-and-access to send our registered and non-registered shareholders the 2025 Management Proxy Circular (Circular) as permitted by the Canadian Securities Administrators and with the authorization of the Office of the Superintendent of Financial Institutions. This means that our Circular will be posted online for you to access, rather than being printed and mailed to you. This notice includes information on how to access the Circular online and how to request a paper copy. We also enclose a proxy form (if you are a registered shareholder) or voting instruction form (if you are a non-registered shareholder). This form allows you to exercise your voting rights. For information on how to vote, see “Voting” below.

It is important that you read the Circular carefully before voting your shares.

Our Annual Financial Statements and Management’s Discussion and Analysis – The way we send you our annual financial statements and management’s discussion and analysis (MD&A) (together with our Circular, the “meeting materials”) depends on whether you are a registered shareholder or a non-registered shareholder (see definitions on the reverse page). If you are a registered shareholder and you did not sign-up for e-delivery or opt out of receiving our annual financial statements, then we are required to send you our annual financial statements and you will receive a paper copy of our Annual Report with this notice. If you are a non-registered shareholder, then we will use notice-and-access to send you our annual financial statements and MD&A as permitted by securities law so that you can access this material online the same way as our Circular.
